## Walkout Day Arrives For Anxious Freshmen

At 8:20 a.m. the bell on the campus of NWMSC rang and students began to pour out of their classes. Walkout Day had finally arrived! This meant the end of beanies, signs, buttoning, and kangaroo courts for the Freshmen.

As the freshmen gathered in front of the Administration Building the M Club members began Walkout Day by pairing off the freshmen and having them trade beanies with their partner. Then the trek to the courthouse began. The freshmen duck walked, buttoned, and cracked the whip down to the courthouse.

### Kangaroo Court

There the final kangaroo court was held with various members of the M Club officiating. There were many offenses brought before the court that fatal day, and many verdicts of "Guilty" were declared by the 'unbiased' members of the lettermen's jury.

Ron Irvin and Bob Smith, convicted of hiding from the M Club, were served an omelet breakfast. Sally Rhines and Bridget Russell, convicted of failures to wear beanies or signs, were treated to a shampoo of molasses and corn flakes.

### Changes Being Made At College Entrance

Noticed any new changes the campus?

The South Hall is being removed from the campus entrance to beautify and widen the facade. Work has already been started on the house's removal.

This winter, driving will be made more safe by the widening and clearing of the entrance.

### Attention Frosh

A Freshman nominating convention for the purpose of nominating class officers will be held tomorrow at 12:30.

— Watch the main bulletin board for notification of the meeting place.

Election day will be October 27.

## Homecoming Candidates Vie for Honors Thursday

### Ethan Campbell To Give Address For Republicans

The College Youths for Nixon Lodge Club met October 3 and planned campaign strategy which will help to elect the Republican ticket in November.

The club will erect a booth October 19 in front of the Student Union for the purpose of passing out campaign literature and absentee voter information and applications.

The club will provide rides for college students of voting age to the voting places.

It was mentioned that Ethan Campbell, who is running for representative of the 6th district, will be the guest speaker at the October 17 meeting.

He makes his home in St. Joseph and is employed by the St. Joseph News Press. Everyone is invited to come and hear his speech.

### Hunger Strike Faces Senate

Nearly 700 students at NWMSC walked out of the Union on October 4. The protest was the result from student sentiment that meals were of insufficient quantity and quality.

A survey made by Joe Merigan, Union Board President, indicated some of the reasons why the students initiated the strike.

Some of the complaints given by the students were monotony of repetition of meals, serving method, long waiting lines, dirty dishes, starchy foods, lack of choice on Friday, leftovers, and too many cold cuts.

The matter has been taken to the student senate.

There it has been discussed with administrative representatives, and the problems and suggestions for improvement will be put into a formal petition to the administration.

Homecoming queen contestants for 1960 are Dixie Gomel, Martha Guest, and Barbara Loyd. The "fairest of the fair" will be determined by vote of the student body. The queen and her attendants will be presented at the Variety Show on October 21.

Sponsoring Miss Gomel is the Delta Zeta sorority. Miss Guest is the Sigma Sigma Sigma candidate. Alpha Sigma Alpha is backing Miss Loyd.

### Dixie Gomel

The Delta Zeta's candidate, Dixie Gomel, is a sophomore from Las Vegas, Nevada. She is working toward a social science major and a sociology minor.

She is active in the Swim Club, Student National Education Association, Social Science Club, and is treasurer of the sophomore class.

Dixie was a model in the recent AWS style show. Last year she was a candidate in the Miss Saint Joseph contest and was a queen contestant for the Phi Sig Frolics.

### Martha Guest

Martha Guest, the Tri Sig candidate, is a junior vocational home economics major. She is from Union Star, Missouri, and is a member of Colhecon. Martha modeled in the recent AWS style show.

Some of Martha's recent honors are: Maitland Bluegrass Queen, 1959; Missouri Shorthorn Lassie Queen, 1959; Miss Northwest Missouri runner-up, 1959-1960; and Miss Cameron Bathing Beauty Queen, 1960.

Cooking, sewing, singing, and modeling are listed by Martha as her hobbies.

### Barbara Loyd

The Alpha candidate, "Barb" Loyd, is from Kansas City, Missouri. A sophomore, she is working toward a history major and an English minor.

"Barb" is a member of AWS and participated in their recent style show. She is also in Social Science Club, on the Union Board, and a cheerleader. She was the Sigma Tau Gamma Rose Queen in 1959 and was first runner-up in the national contest.

Tennis and swimming are listed as "Barb's" hobbies.

### Assembly Today—

Don't forget to come and hear the U. S. Air Force Band perform today in the Health and Physical Education Building.

The matinee performance will be held at 3:00 p.m., and the evening concert will begin at 8:00 p.m.

The Scholarship Cup will also be awarded at the assembly.

### Columbus Exhibit On Display Here

A special exhibit in celebration of Columbus Day is on display his week on the second floor of the Classroom Building.

The exhibit is on the Age of Exploration and Columbus, including colored pictures of the time from which Columbus set sail from Palos, pictures of his ships, and some imagined colored photos of the islands which he first encountered 468 years ago.

Planned by Mr. Guy Ben-susan, humanities department, and his secretary, Miss Diane White, the display is also comprised of display panels from Life Magazine, decorative maps of the 15th through 18th centuries, and small ship models.

This is the first of a series of weekly displays of general interest which will be kept current throughout the semester.

### Self-Evaluation Sheets And Student Teaching

The schedule for the student teaching seminar will be announced in the near future in the "Northwest Missourian."

The student teachers who have not picked up self-evaluation sheets should do so immediately. They are available in Dr. Thate's office in Horace Mann.

## Is School Spirit Lagging?

Are NWMSC students lacking in school spirit? Do college students hesitate to participate in all-school activities? The AWS is in charge of planning and decorating the float for Homecoming Queen. They need the help of all able-bodied students.

The flat bed has been laid for the float, and other work will begin today. Anyone, whether associated with an organization or not, that is interested in helping should report to the bus barns at any time during the day.

Says "Bobbie" Beger, president of AWS, "This is everyone's float. Work is being done on a volunteer basis. I'm sure that those students who work on the float will feel a sense of pride when they see their 'job well-done'."

## Red Blooded American??

Have you ever given blood? It's a painless process that could easily save a life. It takes but a few minutes for the donation, and in those minutes you could be giving new life to some car wreck victim, an injured fireman or a close friend.

For the past seven years a volunteer blood donor list has been maintained at the college. It is composed of members of the faculty and student body who realize how dire this need can be. Persons possessing the less common blood types are especially needed. The blood is used in emergency cases by the local hospital.

Some years, in the past, there have been as many as 300 names on the donor list. Last year NWMSC supplied over 250 pints of blood to those in need. This year the list is down. Won't you help build it back up?

Interested students may report their name, address, telephone number and blood type to the classroom building, office 207A. If the blood type is not known, Dr. Sterling Surrey will arrange for a free blood test to be made.

Do your part. Be a red-blooded American!!

—Don Jeschke

## Is That Someone You?

Attention freshmen and forgetful upperclassmen!  
Have you lost anything?

Lost articles are turned into the business office in the administration building. Articles found in the classroom building are taken to the business department office. Check these two places if you have lost anything.

Upperclassmen, did you lose anything last year on campus?

According to the business office, there are eye glasses, watches, jewelry and many other articles in the "Lost and Found". These articles belong to someone, is that someone you?

—Janice Elliott

## Home Economic Club Hosts National Council

The Alpha Chapter of Kappa Omicron Phi was host to the National Council September 30 thru October 2. The annual business meeting to plan the national convocation for the summer of 1961 was held where the first college chapter was formed, NWMSC.

Members of the Alpha Chapter, with Ann Milne and Ruth Ann Jests as committee co-chairmen, held a coffee hour Saturday in the Home Economic's Lounge for National Council members and the Maryville Alumnae Chapter.

## Faculty Group Offers Award

Three NWMSC faculty members began this week the task of selecting nominees for Woodrow Wilson fellowships, whose chief purposes are to offset the critical shortage of college teachers by encouraging college seniors of outstanding ability to consider college teaching careers.

The foundation does not accept applications directly from students. Candidates must be nominated by a faculty member. Any NWMSC faculty member may make a nomination. Since the number from any school is limited, the final nominations at NWMSC will be made by a committee composed of Dr. Charles Koerble, Mr. George Hinshaw, and Mr. D. F. Peel.

The award is \$1500 plus tuition and fees and, for married students, a dependency allowance.

The closing date for the nomination is Oct. 31.

## Thate Addresses District Meeting

Dr. Charles Thate addressed the district meeting of the SNEA-FTA, held Friday, October 7, from 12:15 until 1:30 in the Union Lounge. His topic was "Are You Choosing the Right Profession?"

Don Petry, local SNEA president, presided at the meeting. Other officers for the year 1959-60 were Sharyn Thompson (Maryville high school FTA) vice chairman, and Floyd Hurst (Parkville high school FTA) secretary.

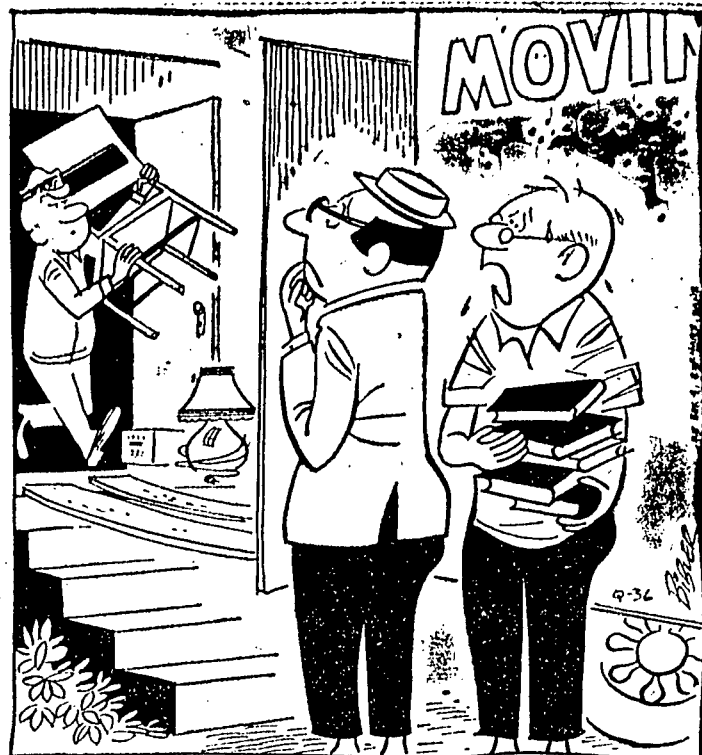

## Freshmen Girls Elect Officers

Gloria Decker and Joy Mohr were elected to the offices of president and vice-president, respectively, of the Freshman Hall Dormitory Council on September 21.

Also elected as AWS representatives were Doris Dorn, Kay Haley, Marcia McElwain, Arlene Rollins, Nancy Land, Millie Tieman, Judy Hoffmeyer, and Sharon Richardson.

The floor chairmen and social committee for Freshman Hall are as follows: Suzie McCurtain, Sandy Grace, Ledah Thompson, Mary Lynn Jensen, Carolyn Holtz, Mariann Hoffman, Judy Gean, and Mary Ann Martin.

"THEN I SAID: JUST BECAUSE YOU'RE THE STAR OF THE FOOTBALL TEAM YOU NEEDN'T THINK YOU CAN RUN MY CLASS."

## Reck Elected President of Tower Choir

## Handy Filing Cabinet Purchased by Library

The library has purchased a new filing cabinet. Mr. Johnson, head librarian, said that this cabinet will increase the library's filing space 50% and will be used for new books and to relieve congestion in the area of the old cabinets.

## College Favors Nixon in Poll

The students of NWMSC prefer Nixon over Kennedy almost 2-1 to gain the presidency. In a recent survey of 340 college students Richard Nixon with 205 votes was victorious in his quest for the rent-free White House over John Kennedy with 122.

Of those polled, 213 think Nixon is ahead in the presidential race at the present time, while only 86 believed Kennedy to be ahead.

### Religious Question

Of the participants 30 would have voted for Kennedy if he wasn't a Roman Catholic; however, 85 said that they would not vote for a Catholic.

The survey showed that approximately one-third of the church leaders have had something to say concerning the coming election. Only 78 believed that the religious issue ought to be stressed in the campaign. But on the other hand 282 feel that it is an issue.

I am overwhelmed to see that the opinions of the students and the seemingly biased views of the surrounding newspapers of the area differ so greatly concerning an empty student union during a particular noon "meal."

## Mary Brannon Elected To Top Post of TGA

The Town Girl's Association (TGA) of AWS elected Mary Brannon president for the coming year at their organization meeting on September 29.

The TGA is connected with AWS and was started in order to bring girls in town in closer contact with one another and with the campus.

It does seem narrow-minded of the students. After all, everyone looks forward to "ice cold milk"; "spotless silverware"; and meals that can take on a completely different shape as they are transferred from can-to-plate!

I've heard about kisses of congratulations to new arrives . . . the lovers in the back of the Den during the Friday night flicks . . . the students selling their war bonds and moving to Milwaukee . . .

Jack Lasley is a starting end on the Bearcat squad; he is 6 feet tall, weighs 203 and is a senior from Red Oak, Iowa.

Jack is a good leader and a fine hustler, two qualities which have helped the bearcats thus far. He has lettered 2 years at NWMSC and one year at Iowa City University.

Jack is majoring in P. E. with a minor in speech.

He is married and has two children: Mike, 8, and Heidi, 6. His wife's name is Jeanette.

### Bearcat Bald Fad Is Growing

Gary Barber, one of the freshmen who had kidnapped Dale Cramer, the president of the M Club and the student body, was given an opportunity to speak on his behalf. But, as Gary spoke he found his hair being cut in quite an original style. The M Club declared

him guilty and demanded their president be returned immediately. Dale soon appeared.

### Bearcat B Team Falls

On last Monday, Oct. 3, the Maryville "B" team met the Warrensburg "B" squad on the Bearcat home field. For 3 periods of the play the teams were evenly matched.

Outstanding defensive work for NWMSC was done by Bob Freeman and Bob Popalisky, who are both freshmen this year.

The Bearcat offense could not seem to get together on their signals. Freeman, a back; and Popalisky, an end; turned in outstanding performances.

In the last period Warrensburg scored 14 as compared to the Bearcats 7. The defensive dual ended as such—Maryville 7, Warrensburg 14.

Learn to attend your own business—a very important point.

### Bearcats Defeated

The NWMSC Bearcats received their second defeat of the season Saturday night when Pittsburgh State Teachers College sent them for a 38-7 loss.

The Cats scored only once against the hard-driving Gorrillas who tallied up an impressive 392 yards rushing. Maryville racked up 102 yards rushing.

The visiting Bearcats, completing eight of fifteen attempted passes, scored in the fourth quarter when Ken Sanders flipped a six-yard pass to Allen Kerns. Jack Lasley booted the extra point.

NWMSC now stands 2-2 in non-conference play.
